Effective Date: April 1, 2024 (unless otherwise stated herein)

Blue Eagle Consolidation Services GMBH ("Carrier") is a Non-Vessel Operating Common Carrier ("NVOCC") registered with the Federal Maritime Commission ("FMC").

NOTICE TO TARIFF USERS

Carrier has opted to be exempt from rate tariff publication requirements pursuant to 46 C.F.R 520 and 532. Carrier has opted for the exclusive use of Negotiated Rate Arrangements ("NRA") and NVOCC Service Arrangements ("NSA"). As used herein the term "Customer" refers to the Shipper, Consignee or owner of the Goods who engaged Carrier's services pursuant to an NRA or NSA.

Negotiated Rate Arrangements ("NRA"): An NRA is a written and binding arrangement between Customer or agent thereof, on the one hand, and Carrier, on the other, to provide specific transportation service for a stated cargo quantity, from origin to destination, on and after receipt of the cargo by Carrier or its agent (originating carrier in the case of through transportation). The booking of cargo after receiving the terms of the NRA or NRA amendment constitutes acceptance of the rates and terms of the NRA or NRA amendment and binds the parties. Carrier's or Carriers' agent's receipt of the cargo for this shipment constitutes final acceptance of the offer, and the terms of the NRA binds the parties. All applicable origin and destination local terminal and/or port charges apply to all NRAs. Rates may not be modified in an NRA after the time the shipment is received by the Carrier or its agent (including originating carriers in the case of through transportation). Service under an NRA is subject to this rules tariff unless otherwise indicated.

NVOCC Service Arrangements ("NSA"): An NSA is a written contract, between Customer or agent thereof, on the one hand, and Carrier, on the other, in which Shipper or Consignee makes a commitment to provide a certain minimum quantity or portion of cargo or freight revenue over a fixed time period, and Carrier commits to a certain rate or rate schedule and a defined service level. The NSA may also specify provisions in the event of nonperformance on the part of any party. Please note that NSAs must have a minimum volume, a fixed time period, agreed rates and a defined service level. NSA can contain provisions in the event of non-performance, such as liquidated damages, if Customer fails to meet a minimum volume commitment. NSAs must be agreed in writing between the Carrier and Customer or agent thereof. NSAs can be amended by mutual agreement. Service under an NSA is subject to this rules tariff unless otherwise indicated.
